

JAI VATIKA PUBLIC SCHOOL

THE VALUABLE ORIENTATION OF CONNECTIVITY

Heading Towards The Bright New Session

The heralding of the new session is an auspicious time for the Jai Vatikan family. It opens the gateway ushering each of us into the portals of the school with invigorated minds and bodies and envisaging new dreams and hopes. The Present Orientation letter will help you to explore the factors and situations that will definitely benefit you and your child in the successful journey of this important transition phase.

Parent School Partnership:

Parents play a vital role in their children's physical, emotional, and mental development, especially in the teen years. Hence supporting parents to recognize and nurture their adolescent children's strengths has become crucial so that their children mature from young adolescents into early adulthood.

The importance of parent-school partnership cannot be underestimated. Children benefit much when parents and teachers work together as partners in education. Since parents are the custodians of all the vital information about the students, it becomes much easier when frequent dialogues are established between the parent and teacher.

You are requested to connect with the school/ teachers regularly and share updates about your child. Inform the teacher about what your child is learning and any areas that your child needs additional support, also talk about your child's well-being. Inform the teacher if the child has any special educational needs or disabilities. Ask teachers to share with you any educational videos, online resources that you can share with your child.

We as co-partners in educating your child request you to:

- Create a safe and engaging positive learning environment at home.
- Create a flexible but consistent daily routine. . Get children to decide their daily routine in which there is dedicated time when they would be studying.
- Spend time with your child.
- Be an empathetic listener; while you are listening them, give them your full attention.
- Tell them the behavior you want to see. Use positive language, it works!
- Take care of eating habits of your ward. They must eat healthily
- Be aware and vigilant when they go online. Also, make them aware of privacy issues, cyber bullying, etc
- Use positive disciplining. When children misbehave, try to find out reasons for the behaviour and discuss it with the child, try and understand what is bothering them.

- **Routines Are Important**
 - Set an appropriate sleeping and wake up time so that your child adjusts well with the new timings and is energetic and active during the school hours.
 - Inculcation of planned time management skills and healthy food habits among the children is highly essential at a tender age.
 - Parents need to ensure that they provide adequate and healthy Tiffin so that they enjoy a healthy meal in school.

- Make sure you provide healthy and easily digestible food so that the child doesn't feel over loaded and uneasy during the school hours.
- Teachers would ensure that the child finishes his Tiffin. Further, any issues regarding your child's eating habit could be informed to the class teacher.

Talk to your child about the school

- To help build trust and self-confidence, encourage your child to discuss his feelings about the school.
- Discussions would make the child more expressive and open and help him/her to gain confidence so that he can discuss and talk about all major concerns which he might otherwise be hesitant to.
- Create the feelings of positivity and good will in the child towards the school.

Discipline

The one thing necessary to achieve any goal worth having

There is value of discipline in all walks of life. Whether at school or at home, in the office or in the factory, in the playground or in the battlefield, discipline is a necessity.

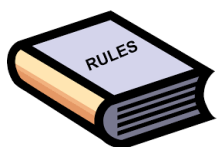

- **Discipline gives us an opportunity to learn from experience and grow.**
- **Without discipline, there will be complete chaos and disorder.**
- **There will be no peace and progress, the universe rests on discipline.**
- **Discipline is indispensable for all to live a successful and happy life.**

FOR PARENTS

- Set your own example of disciplined conduct and behaviour for your children to follow.
- Plan the DISCIPLINE TECHNIQUES.
- Discuss with your child the importance of discipline.
- Explain the technique and the reason for your using it.

E.g.: If it is a rule that the child must have limited exposure and access to electronic devices and gadgets in the evening then,

- **Set the time**
- **Explain the benefits of minimum visual screen usage.**
- **Be firm that the child doesn't use visual screens more than the time allotted by you.**

- ✚ Be clear about the rules that you want for the family.
- ✚ Schedule or establish rules for him/her to follow.
- ✚ Paste the rules in his/her room or cupboard.

For E.g.: If you wish to make the child follow a time table then:

- **Make a time table with the child's consent.**
- **Explain the benefits of following the time table.**
- **Paste it on the child's cupboard to follow.**

- ✚ Tell them about the after effects of indiscipline.
(What may happen when we perform an indisciplined act.)
- ✚ Give your child small but individual responsibilities.

For E.g.: If your wish is to make a child responsible then:

- Assign your child with small tasks related to home.
- Give small gifts on the successful completion of the tasks.
- Explain that his responsibility and duty is helping everyone at home.
- Also explain that not completing something affects badly.

- ✚ **Lastly:** Reward them.... After all they are your children. But ensure that the rewards act as an effective source of appreciation and motivation for the children instead of pampering them.

FOR STUDENTS

- ✚ What you start (as a point of honour) always finish at home as it'll boost your confidence.
- ✚ Exercise to keep yourself fit and active and your energies focused.
- ✚ Daily exercise will energize your soul, mind, body.

- ✚ Dump excuses and try your level best in very effort.
- ✚ Be honest to yourself and to others.
- ✚ Nothing can be achieved following SHORTCUTS.
- ✚ Create powerful habits, organised routines and humble behaviour.

- ✚ Study the habits and life of great, famous and successful people. Get inspired from them. Try to be productive. Compete with yourself only. Try to achieve and do better than you did previously.

Lastly, remember, power, talent and force is inside all of us.

We need you to rise up and shine. Discipline will help us shine and succeed better.

Managing these few tips you can make this whole new school experience more exciting. Further, for intensifying the fruitful and healthy bonding, it's important to stay connected with the school via schoolpad and Broadcasting Whats App group, and ensure your regularity for the chat sessions and PTMs. Regular feedbacks are always welcome.

Wishing you a happy and delightful year ahead!

Happy Parenting!! Happy Teaching!!

Reading:	Case based Factual Passage
Writing:	Analytical Paragraph Writing (Graphs / cues)
Grammar:	Reported Speech (Commands, Requests)

December

Practice Papers & Sample Papers

January

Revision

Pre-board-II (in Feb 2025) Exam will be based on syllabus covered from April 2024 to January 2025.

MATHEMATICS

Book Name: Modern abc

Term - I

April:	Lesson- 1 (Real Numbers)
	Lesson- 2 (Polynomials)
	Lesson- 3 (Pair of linear Equations in Two Variables)
May :	Lesson -7 (Co-ordinate Geometry)
	Lesson -13 (Surface Areas and Volumes)

July : Lesson- 15 (Probability)
Lesson- 8(Introduction to Trigonometry)
Lesson -9 (Some applications of trigonometry)
Lesson- 14 (Statistics)

August: Lesson- 4 (Quadratic Equation)
Lesson- 6 (Triangles)

Term –I (in September 2024) Exam will be based on Syllabus covered from April to August 2024.

Term – II

September: Lesson- 5 (Arithmetic Progression)
October: Lesson- 12 (Areas Related to Circle)
November: Lesson -10 (Circles)
December: Revision and Pre-Boards
January: Revision and Pre-Boards

Pre-Board II (in Feb 2025) Exam will be based on syllabus covered from April 2024 to January 2025.

SCIENCE

Book Name: Viva Education Physics- 10
Viva Education Biology-10

Term - I

April

Chemistry: L-1 Chemical Reactions & Equations
L-2 Acids, Bases and Salts
Physics: L-3 Reflection of light
L-4 Refraction of light
Biology: L-1 Life Processes
L-2 Control and Coordination

May

Chemistry: L-2 Acids, Bases and Salts
Physics: L-5 The human eye and the colorful world
Biology: L-2 Control and Coordination

July

Chemistry: L-3 Metals and Non- Metals
Physics: L-5 The human eye and the colorful world
Biology: L-5 Our Environment

August

Chemistry: Revision
Physics: Revision
Biology: Revision

Term –I (in September 2024) Exam will be based on Syllabus covered from April to August 2024.

Term - II

October

Chemistry:	L-3 Metals and Non- Metals
Physics:	L-1Electricity and its effects
Biology:	L-3 How do organisms Reproduce?

November

Chemistry:	L-4 Carbon and its Compounds
Physics:	L-2Magnets and Magnetic Effects of Current
Biology:	L-4 Heredity and Evolution

December

Chemistry:	Revision
Physics:	Revision
Biology:	Revision

January

Revision

Pre-Board -II (in Feb 2025) Exam will be based on syllabus covered from April 2024 to January 2025.

Science Practical

April

Chemistry

1. Performing and observing the following reactions and classifying them into:
 - a) Combination reaction
 - b) Decomposition reaction
 - c) Displacement reaction
 - d) Double displacement reaction
 - i) Action of water on quick lime
 - ii) Action of heat on ferrous sulphate crystals
 - iii) Iron nails kept in copper sulphate solution
 - iv) Reaction between sodium sulphate and barium chloride solutions

Physics

1. Determination of the focal length of :
 - i) Concave mirror,
 - ii) Convex lens,By obtaining the image of a distant object.

May

Chemistry

1. Finding the pH of the following samples by using pH paper /universal indicator
 - a) Dilute Hydrochloric Acid

- b) Dilute NaOH solution
- c) Dilute Ethanoic Acid Solution
- d) Lemon Juice
- e) Water
- f) Dilute Hydrogen Carbonate Solution

2. Studying the properties of acids and bases (HCl&NaOH) by their reaction with-

- a) Litmus solution (Blue/Red)
- b) Zinc Metal
- c) Solid sodium carbonate

Physics

1. Tracing the path of a ray of light passing through a rectangular glass slab for different angles of incidence. Measure the angle of incidence, angle of refraction, angle of emergence and interpret the result.

July

Physics

1. Tracing the path of the rays of light through a glass prism.

August

Revision of Term-I Syllabus

September

Term-I Exam

October

Chemistry

1. Observing the action of Zn, Fe, Cu and Al metals on the following salt solutions.
 - a) $ZnSO_4(aq)$
 - b) $FeSO_4(aq)$
 - c) $CuSO_4(aq)$
 - d) $Al_2(SO_4)_3(aq)$
2. Arranging them in decreasing order of reactivity based on above result.

Biology

1. Experimentally show that carbon dioxide is given out during respiration.

November

Chemistry

1. Study of the following properties of acetic acid (ethanoic acid):
 - i) Odour
 - ii) Solubility in water
 - iii) Effect on litmus
 - iv) Reaction with Sodium Hydrogen Carbonate
2. Study of the comparative cleaning capacity of a sample of soap in soft and hard water

Biology

1. Studying (a) binary fission in Amoeba, and (b) budding in yeast with the help of prepared slides.

Physics

1. Studying the dependence of potential difference (V) across a resistor on the current (I) passing through it and determine its resistance. Also plotting a graph between V and I.

January

Revision and Pre-Board Exams

SOCIAL SCIENCE

Book Name: A Textbook of Social Science Class 10, Published by Viva Education

April

Geography:	Ch-1	Resources and Development
	Ch-2	Forest and Wildlife
	Ch-3	Water Resources
Political Science:	Ch-1	Power Sharing
History:	Ch-1	The Rise of Nationalism in Europe

May

Geography:	Ch-4	Agriculture
Political Science:	Ch-2	Federalism
Economics:	Ch-1	Development

July

History:	Ch-2	Nationalism in India
Geography:	Ch-5	Minerals and Energy Resources
	Ch-6	Manufacturing Industries
Economics:	Ch-2	Sectors of the Indian Economy

August

History:	Ch-3	The Making a Global World (only from 1 to 1.3)
Political Science:	Ch-3	Gender, Religion and Caste
Economics:	Ch-3	Money and Credit

Map work according to chapters.

Term –I (in September 2024) Exam will be based on Syllabus covered from April to August 2024.

October

Geography:	Ch-7	Lifelines of National Economy (Map and Interdisciplinary Project)
Economics:	Ch-4	Globalization and The Indian Economy (Globalization and factors related to it)
History:	Ch-4	Age of Industrialization (For UT's only)

Political Science: Ch-4 Political Parties

November

Political Science: Ch-5 Outcomes of Democracy

History: Ch-5 Print Culture and the Modern World

Economics: Ch-5 Consumer Rights **(Only Project Work)**

Map work according to chapter

December & January

Revision of full syllabus

Pre-Board -II (in Feb 2025) Exam will be based on syllabus covered from April 2024 to January 2025.

Hindi-(Optional)

1. स्पर्श भाग -2 कोर्स बी

2. संचयन भाग - 2 कोर्स बी

अप्रैल:

स्पर्श काव्य खंड- पाठ-1 साखी पाठ -2मीरा के पद

पाठ - 3पर्वत प्रदेश में पावस

स्पर्श गद्य खंड - पाठ-1 बडे भाई साहिब

पाठ- 2 डायरी का एक पन्ना

पाठ- 3 तँतारा वामीरो कथा

पुस्तक संचयन- पाठ-1 हरिहर काका

व्यावहारिक व्याकरण- पदबंध, मुहावरे

लेखन- पत्र, अनुच्छेद, संवाद लेखन

मई: स्पर्श काव्य खंड- पाठ-4 तोप

स्पर्श गद्य खंड - पाठ- 4 तीसरी कसम के शल्पकार शैलेंद्र (for reading Only)

पाठ -5 गर गट (only for reading)

व्यावहारिक व्याकरण- रचना के आधार पर वाक्य रूपांतर, समास

लेखन- सूचना लेखन, वज्ञापन लेखन

जुलाई: स्पर्श काव्य खंड- पाठ-6 मनुष्यता

स्पर्श गद्य खंड- पाठ-6 अब कहां दूसरे के दुख से दुखी होने वाले

पुस्तक संचयन - पाठ-2 सपनों के से दिन

व्यावहारिक व्याकरण - रचना के आधार पर वाक्य, रूपांतर, मुहावरे

लेखन- अनुच्छेद, सूचना लेखन, वज्ञापन लेखन

अगस्त: Revision

Term I (in September 2024) Exam will be based on Syllabus covered from April to August 2024.

Term – II

अक्तूबर :

स्पर्श काव्य खंड- पाठ-8 कर चले हम फदा
स्पर्श गद्य खंड- पाठ-7 पतझर में टूटी पतियां
पुस्तक संचयन - पाठ-3 टोपी शुक्ला
व्यावहारिक व्याकरण - रचना के आधार पर वाक्यरूपांतर,समास
लेखन- अनुच्छेद, सूचना लेखन, वज्ञापन लेखन

नवम्बर :

स्पर्श काव्य खंड- पाठ-9 आत्मत्राण
स्पर्श गद्य खंड- पाठ-8 कारतूस
व्यावहारिक व्याकरण- पदबंध, मुहावरे
लेखन- अनुच्छेद, सूचना लेखन, वज्ञापन लेखन

दिसंबर & जनवरी

SPOKEN ENGLISH

Term 1

April

1. Self-Introduction

- Explore Yourself
- Liking, disliking(Why/Why not)

2. Debate

Topics

- We should all be vegetarians?

Activities

- 2 Mint Debate
- Where do you stand?
- Argument wars

Topics

- We Should all be vegetarians
- Countries shouldn't have boards
- TV should be banned for children
- Plastic bags should be banned

3. Sample Paper 1, 2, 3

4. Extempore Speech

- Meaning, tips, benefits

Topics

- Describe a speech you gave
- Adventure you would like to go on
- Invention that is useful for daily use
- An occasion when you got incorrect information

5. Group Discussion

Meaning, usage, benefits

Topic

- Healthy eating
- Festivals in India
- Career Prospects

6. ASL

- Listen to the transcript about Rajeev Seth and answer the following questions.
- Listen to the News headlines and answer the questions.
- Listen to 5 different health experts giving advice on correct postures of students while studying and answer the questions.
- Listen to the audio of extract from different conversation and answer the following questions.

May

1. Role Play

- Importance, tips, purpose, benefits

Topics

- Pizza Parlor
- Neighbors help
- Getting Everyone to speak

2. Reporting

Activity

- Come with your group and report

Topics

- Fair in your city
- Sports Day in School

3. ASL

- Listen to the dialogues between Mrs. Suri and Shelly and answer the set of questions.
- Listen to the transcript on earthquake precautions and answer the set of questions.
- Listen to the audio of different advertisements and answer the questions.
- Listen to conversation and answer the questions.

July

1. Interview

- Why role play is important?
- Benefits

Topics

- Tourism and Environmental Degradation; problems and challenges.
- Corporal punishment
- Checking Carbon dioxide emissions

Activities

- Pair work

2. Story Telling

- Importance, tips, purpose, benefits

Activities

- Collaborative Story telling
- Chain Story Telling

3. News Reading

- Make a news with the help of clues
- Guess the headline

4. ASL

- Listen to the lectures about libraries and tick the correct answers.

- Listen to the news report and write the correct answer.
- Listen to a short radio talk on Earth like planet and answer the questions.
- Listen to a talk on health benefits and answer the following questions.

August

1. Vocabulary Game

- Blindfold Guess
- Odd one out

2. Public Speaking

- A false Vacations
- Talk about an interesting old person you recently met.
- Describe the different things you did and succeed

3. ASL

- Listen to a talk by a fitness expert on the importance of different types of sports.
- Listen to radio talk about a teacher's event and answer the following questions.

Term II

October

1. Mini Presentations

- Peer pressure
- Private tuitions
- Gender Discrimination
- Effective Communication
- Corruption

2. Picture Descriptions

Importance, tips, benefits, purpose

Activities

- Make a Story while describing a picture
- Guess the picture
- Picture Comparison

3. ASL

- Listen an audio of Healing Properties of colors and complete the table
- Listen an audio of 5 different people expressing their views on travelling alone and match the statements with the speaker.

November

1. Verbal Stimulus

- Urban life and village life
- Parental involvement in education

2. ASL

- Listen an audio of radio talk on bicycle and answer the questions.

- Listen an audio of medical news bulletin and fill in the blanks.
- Listen an audio of scientist talking about the various sources of alternative energy and fill in the blanks.

December

1. Pair Interactions

- Child Marriage
- Growing Obesity
- How do you imagine life in cities in the future?
- What responsibilities do you think individuals have towards the environment.

January

1. Practice exercise of speaking test

Topics

- Money
- Music
- Health
- Humor
- Fast Food
- Career Choices
